 Chromecast built-in

With Chromecast built-in, you can stream content from your favorite apps on your phone, tablet or laptop to POLAROID TVs

POLAROID's 4K Ultra HD (UHD) resolution televisions provide entertainment lovers with a cinema style experience with four times the resolution of a full HD TV. This line of 4K TV's offers the highest quality picture resolution. Experience stunning color contrast, fluidity of motion and exceptional clarity with more than 8 million pixels. Three HDMI inputs including an HDMI 2.0 guarantee the highest digital audio and video quality.

FEATURES

- 43" Widescreen 4K UHD (3840 x 2160) LED television
- Chromecast built-in is a platform that lets you stream your favorite entertainment from your phone, tablet or laptop right to your TV.
- HEVC Decoding for delivering UHD streaming content from popular entertainment and movie apps
- 3 HDMI (including HDMI 2.0 / HDCP 2.2) inputs deliver uncompressed, crystal-clear digital video and audio via a single cable
