

Protected by an Extended 3-Year Limited Warranty

SHARP Quality Guarantee

Our commitment to quality doesn't end when your Sharp TV leaves the factory or when it's turned on for the first time. We stand behind every television we build with the same confidence that drives our rigorous testing standards.

That's why we offer a 3-year warranty; we believe in our products. Because when a product is built to endure, it deserves a commitment that does the same.
